

BRUNEHAUT WHITE BIO & GLUTEN FREE

Brasserie BRUNEHAUT

FT-PRO-004-V7
Rédaction : 22062022
Rédigé par : Marie Duhem

FR219-002

Analytical parameters and use :

- **Look** : It has a slightly stronger colour than white beers usually have, certainly pale but with the typical look of the house. Light, fine head with average maintenance. Delicate.
- **Nose** : A lovely fresh nose, entirely in the yeast, even slightly floral. The freshness seems to be its main quality.
- **Mouth** : The first supple flavour without being too bitter, almost round in the mouth. Play the role of a light and refreshing beer. Average persistence and fresh in the mouth at the end.
- Chilled serve (3°C) / Do not shake before serving
- **To be avoid** : Children / Pregnant women
- **Possible wrang utilisation** : Poor storage conditions / non-compliance with the instructions for use
- **Storage** : The product should be kept upright and indoor, out of direct sunlight and between 5 and 15°C
- **Ingrédients** : Malted barley*, millet*, buckwheat*, spices*, hop*, yeast (from organic agriculture)
- **Allergen** : Gluten Free
- **Certificate** : Organic (BE-BIO-01) – Gluten Free (FR-219-002)
- **Coloration EBC** : 10
- **Bitternes EBU** : 15
- **° Plato** : 12.8
- **Nutritional value for 100ml** : kCal : 48.3 Kj : 202 Protéines : 0.3g
- **Certificate** : Organic (BE-BIO-01)
- **Recycling** :
